🔗 AI Business Development Associate 🔗

Description

Mirabilis AI Solutions is a brand-new, cutting-edge AI consulting firm that's all about pushing boundaries and thinking outside the box. We specialize in generative AI integration services, which is just a fancy way of saying we help businesses unleash the power of AI to create amazing things.

Responsibilities

- Develop and implement growth strategies for our AI services.
- Build and maintain relationships with clients and partners.
- Understand the needs of our clients and how our services can meet those needs.
- Stay up-to-date on the latest AI trends and technologies.

Qualifications

You're a tech-savvy go-getter with a passion for AI and a knack for business. You're not afraid to take risks, ask questions, or suggest a wild idea now and then. You're comfortable in a fast-paced environment and can juggle multiple tasks without breaking a sweat.

- Experience in business development or a related field.
- Knowledge of AI technologies, especially generative AI.
- Excellent communication (French and English) and negotiation skills.
- Ability to think creatively and strategically.

Job Benefits

- A fun, dynamic work environment with lots of room for growth.
- The chance to work with some of the coolest AI tech around.
