Description

About Us: Mirabilis AI Solutions is a brand-new, cutting-edge AI consulting firm that's all about pushing boundaries and thinking outside the box. We specialize in generative AI integration services, which is just a fancy way of saying we help businesses unleash the power of AI to create amazing things.

About You: You're a humanities graduate with a passion for learning and a curiosity about AI. You're not afraid to ask questions, and you're excited about the prospect of bridging the gap between the humanities and technology. You're comfortable in a fast-paced environment and can juggle multiple tasks without breaking a sweat.

Responsibilities

- Participate in our comprehensive AI training program.
- Work closely with our AI consultants to understand the needs of our clients and how our services can meet those needs.
- Assist in the design and deployment of AI applications.
- Provide support to clients on AI technologies.

Qualifications

- Degree in humanities or a related field.
- Strong interest in AI technologies.
- Excellent communication and problem-solving skills.
- Ability to think creatively and strategically.
- **Aii Methodology:** You'll be the aii captain steering the ship of deployment, ensuring smooth sailing from the harbor of development to the shores of implementation.

Job Benefits

- A fun, dynamic work environment with lots of room for growth.
- The chance to work with some of the coolest AI tech around.
